

LOTUS EXCLUSIVE

2018 PRODUCT RANGE

LOTUS EXCLUSIVE

Lotus Exclusive allows you to make your Lotus truly unique, with each vehicle carefully finished according to your individual requirements.

The hand-crafted nature of our vehicles allows us to produce personalised cars using high-quality material interiors alongside unique paint finishes and vehicle graphics. We pay meticulous attention to every last detail in order make each Lotus Exclusive model perfectly tailored to your personality and lifestyle.

"In the past we have created a number of cars personalised to the specific requests of individual customers. These stunning cars were produced by a team of skilled craftsmen and women, using their expertise to create something exceptional and unique for the customer. Now all our customers will be offered this service, to create their own personalised car through Lotus Exclusive."

Jean-Marc Gales, CEO, Group Lotus Plc
